MEMORANDUM FOR THE RECORD

STATINTL

SUBJECT: Revision of Regulation [REDACTED] (Regulations Under Executive Order No. 10450)

1. At the time the Director's letter dated 26 March 1955 was forwarded to Mr. Philip Young, Chairman of the U. S. Civil Service Commission (HR-6-7344A), I wrote a memorandum for the record and asked Regulations Control Staff to send us five additional sterile copies of Regulation No. [REDACTED] when published, so that they could be forwarded to Mr. Young.

2. This was done, on the understanding that the letter to Mr. Young included a comment to the effect that we were enclosing copies of our current Regulations but inasmuch as they were presently being amended, we would send him copies of the new version as soon as published.

3. The letter, as finally signed, included no reference to the amendments and merely indicated that we were forwarding a copy of "our current regulation."

4. It now appears that there is no need for reopening correspondence with the Civil Service Commission on this case, and the sterile copies which Regulations Control Staff has sent to us are therefore retained in our file, rather than being forwarded.
